Fred E. Yunker, Orland Twp. Supervisor, Dies

Fred E. Yunker, life resident of Orland township and supervisor there for 30 years, died last Saturday (April 2) at Silver Cross hospital, following a sudden illness.

He was stricken at his home, 149th and Wolf Rd., on Friday, and taken to the hospital.

On Feb. 6, he and his wife, Augusta, observed their golden wedding anniversary.

Funeral services were held Tuesday afternoon from the Hirsch Chapel at Tinley Park to St. John's United Church of Christ, Mokena, at 2 o'clock. The Rev. Laslo L. Hunyady officiated.

Mr. Yunker was a life member of this church. He was christened, confirmed and married there, and was a member of the board of St. John's cemetery where he was buried.

A son of Christ and Minnie Yunker, he was born on the farm in Orland where he spent his life. He was born May 12, 1892.

He farmed the major portion of his working career but interspersed farming

with other activities. At one time he served the Orland area as a rural mail carrier, making his rounds in a 2-wheeled, horse-drawn cart. When the roads became deep in mud he carried the mail on horseback.

In 1921 he became a dealer in farm machinery, with his farm yard serving as his salesroom. He was in the implement business for 29 years. His son, Erwin, who now operates the Yunker Implement Co. at 159th and Wolf Rd., took over in 1950.

In 1936 Fred Yunker was appointed supervisor of Orland township to succeed Charles Doctor, who had resigned. Thru election he has held the office since.

Prior to becoming supervisor Mr. Yunker served the township as tax collector for eight years.

In February, 1960, Mr. Yunker and Fire Chief Arthur Granat, of the Orland Volunteer Fire Department, were honored at a dinner of the Orland Park Chamber of Commerce as outstanding citizens of the community. It was fitting that the

two men were honored on the same program because Mr. Yunker was one of the founders and charter members of the Orland fire department.

On the plaque presented to Mr. Yunker on that occasion was the following inscription:

"For long and faithful services as supervisor of Orland Township."

Besides his wife and the son Erwin, of Monee, Mr. Yunker is survived by two other sons, Donald, of Orland Park, and Arrian, of Mokena; also two daughters, Dorothy, Mrs. Walter Hentsch, of Mokena, and Marjorie, Mrs. Norman Schilling, Homewood; 21 grandchildren and three great-grandchildren. A son, Norman, of Peotone, died Jan. 31, of this year.

Frankfort Acts To Eliminate Abandoned Cars

Frankfort village board at its meeting Monday night adopted an ordinance providing for the picking up, impounding and ultimately selling of cars deemed to have been abandoned in that community on streets, alleys or private property.

The ordinance is similar to that recently enacted by the Lockport city council and the one that Mokena trustee, Gary Chase, chairman of the police committee, hopes to have adopted by the Mokena village board.

FIRE SCARE

Frankfort firemen were called to the Clifford Watts home, 19531 Catalpa St., Arbury Hills last Thursday forenoon because of a defect in the furnace, it was reported. Firemen were called there the week previous when the blower motor overheated and the house became filled with smoke.

Saturday Election Day For School Districts

Voters of the various school districts in the area will go to the polls this Saturday (April 9) to elect board members. There are no bond issues or tax referendums in any of the local districts.

The polls will open at 12 noon and close at 7 p.m.

Only at Mokena and Frankfort will there be any contests for board seats.

There will be the names of five candidates on the Mokena ballot with three seats at stake.

One of these candidates is unopposed. He is Willard A. Barez who is seeking to fill the unexpired term of Roy Toppen, who resigned several weeks ago. Barez was appointed to serve in his place until April and later became a candidate to fill out the term.

There are two other places to be filled on the board this Saturday. The terms of Fremont N. Warning, and Chester Ebert expire. Ebert did not seek re-election, but Warning, a rural mail carrier, is a candidate. In all there are four candidates for the two places. Besides Warning they are, William Mutsch, a salesman for Johns - Manville; William (Bill) Cady, a school teacher, and James T. Fagan,

an office employee of Illinois Bell Telephone.

At Frankfort there are four candidates for three places to be filled on the board. The first candidate, and the only candidate to file until the last day for filing was Melvin A. Eisenbrandt.

On the last day for filing three candidates entered the contest. Two of them are incumbents, Glenn N. Nissen and Lewis Ebert. The other candidate is Bruce F. Wells. The three elected will serve full three-year terms.

Two will be elected to the Ann Rutledge board and the only candidates are the two incumbents whose terms expire Saturday, Glenn Coburn and Charles Jones.

The two incumbents on the Arbury Hills (Dist. 161) board, John Hayden, and Julius Sandy, are unopposed for re-election.

The school election in District 122, which is made up of the New Lenox school system, also has but two places to be filled and two candidates. Ralph Staples, who is completing the unexpired term of Roy Fitzer, is seeking a full three-year term. The other candidate is Mrs. Warren Stoneberger, 158 Wallace St., New Lenox, who is quite active in the

Parent Teachers Organization. John B. Anderson, an attorney who resides in New Lenox township whose term on the board expires this weekend, did not seek re-election.

There are four places to be filled on the Lincoln-Way High School board and there are only four candidates. Elias Brown, Mokena; Wendell Morrison, Frankfort and Earl Moss, New Lenox, are seeking full three-year terms. The fourth candidate, George Preston, New Lenox, is running for the unexpired term (one year) of James Brooks, formerly of New Lenox.

There are six polling places in the high school election, Carpenter Street School Mokena; Frankfort Grade School, village of Frankfort; Ann Rutledge School; Arbury Hills School; Haven School at New Lenox and Manhattan Grade School at Manhattan.

Ask For Variation In Zoning Parking

Another hearing on two pieces of business property for which variations were sought recently will be held by the Mokena zoning board of appeals. The new hearing is set for April 27.

Daniel Kubler, owner and operator of the Mokena Pharmacy, and W. A. Muehler, who owns a laundry service at 11031 Front St., are the petitioners. Kurber is planning to build a new store at 11110 Front St.; Muehler is planning a new building for his laundry service.

Previously both had asked

variations to permit them to build closer to the back lot lines than the zoning ordinance calls for but since have discovered they must also ask for a variation in the off-street parking requirements since their properties are not large enough. The builder of a business property is supposed to provide five feet of parking space for every foot of floor space in the building.

Both the drug store and the laundry service will have off-street parking space but not enough to meet the terms of the ordinance, hence, the request for variations.

COLLECTING FOR the Easter seal drive for crippled children on Saturday, April 2 at Rt. 30 and Cedar rd., New Lenox, were six girls dressed as Easter bunnies. The two girls pictured are sophomores at Providence high school. Left to right; Teri Wingate of New Lenox and Loretta Resutko of Mokena.

Social Dancing Class For Adults At Gym

MRS. EDWARD HOVI
Telephone: 479-5740

The Arbury Hills school board has granted the use of the school gym to Abel Govea for conducting classes in social dancing to adults in the area.

Mr. Govea, a certified teacher of ballroom dancing, contemplates instructing a beginner's course consisting of basic ballroom dances, such as the Foxtrot, Swing, Waltz, and Cha-Cha.

If possible, a more advanced course would also be offered which would include more advanced steps in the foxtrot and waltz and would introduce the rumba and tango. Both courses are rather flexible and may be altered to meet the needs of the classes.

For the last two years, Mr. Govea has conducted social dance classes in the Adult Education Program of the Bremen Township High School District and the Harvey YMCA. He advises that either course consists of ten two hour lessons held weekly from 8 p.m. until 10 p.m.

Tuition fees would be \$20.00 per couple or \$12.50 per individual.

All interested adults, seventeen years of age or older, are asked to register and pay their tuition for the

courses at 8 p.m. on Friday, April 15 at the school gym, when the classes are scheduled to commence.

Anyone with any questions can call Mr. Govea at his home any night except Wednesday after 6:30 p.m. at 498-9310.

The Summit Hill Parent-Teacher Group will have their regular monthly meeting at the school on Thursday April 14, beginning at 8 p.m.

Following the regular business portion of the meeting the people will be entertained by the Lincoln-Way chorus.

The First Nighters will have their regular monthly meeting at the home of Mrs. Guy Broekstra on Beechnut dr. tonight, Thursday, April 7, beginning at 8 p.m.

"DON'T FENCE US IN"

Dear Sir:

It is about time the people of Mokena came to the rude awaking.

The village has been approached many times to have industry come in and have many times turned it down. The tax rate has gone up. New bedroom dwellings are going up. More children to add to the tax standards. Yet the citizens are just sitting and have no community pride.

Yet they have not made an effort through service organization to help bring industry into the area.

Where has the community pride gone? No one cares what happens. There has been no effort on the part of the businessmen in the town to modernize just leave it go the way it is. They're making money with things the way they are.

The village fathers have made no effort to appoint a committee to help bring industry in to the area. The village as a whole has very little to offer industry and yet any effort would be better than none.

An effort on the part of the citizen to lower tax problems by industry and other methods could be made.

Improvement through local clubs and associations could change the appearance of the village by beautification of the town.

Efforts could be made by the citizen to see that new municipal building and other development could be undertaken with efforts to see the village progress.

As for the school.

Three times it has come to a vote concerning the land and development of a Jr. High Complex and yet each time it has been voted down. What are the people going to say when the children have to start going to school half days for their education? That is when the people will have their eyes opened.

Until the people in the village change their minds about many things, the community will stay the backward pace that it has become only because of a few who don't give a darn.

When Young - Is The Time To Take Up Golf

Since the Chamber of Commerce has designated Orland Park as the Golf Center of the World it is only fitting that the Orland Park grade school has started after-school classes to give Junior High students instructions in the game.

Those who take up the sport be taught the etiquette of golf as well as the game itself. Silver Lake Golf Club has invited the youngsters, accompanied by their teachers, to make use of that course in developing their skills. They will have had considerable instruction before they reach the course so their presence will not be any handicap to the other golfers, it was said.

The school is grateful to the club for its offer and aid in preparing the young golfers to be good golfers.

FIRST VETERAN of Viet Nam War to join the Mokena post of the Veterans of Foreign Wars is Jim Schaefer (left) who finished his tour of duty with the Navy late last year. Welcoming him into the post (l to r) are Arnie Lawson, membership chairman; Post Commander James Lillie, Len Bolek, Edward Cieply, junior vice commander and E.D. Friant, a past commander. Schaefer served aboard Navy oil tanker, Hassayampa A0145, in Viet Nam waters in 1964 and 1965. Just after the Hassayampa finished refueling the Maddox, a destroyer, that the latter was attacked by three P.T. boats of the North Viet Nam navy. With aid of planes from carriers the Maddox destroyed the attackers, Schaefer said. The Mokena post membership is now 16% above last year's, it was reported. All eligible veterans are invited to join the post. (Behnke photo)

Plan Summer School For L-W Districts

The Lincoln-Way area elementary school districts are sponsoring a reinforcement and enrichment summer school program. The reinforcement curriculum will consist of a language arts - math block and the enrichment curriculum will consist of typing and science. The teaching of the fundamentals of touchtyping, tabulation, two letter styles, and short manuscripts will be covered in the typing class.

The science class is to give academically talented seventh and eighth graders in the area an opportunity to accelerate in science. The primary concern is to provide an experience in learning to work with scientific apparatus and the teaching of the metric system for accurate scientific measurements. With this background the group will do experiments of a problem solving nature in different fields of science. It is hoped that

"Y" Man Has Praise For CSHS Students

Del Arsenault, new Southwest YMCA fieldman, made some comments today concerning attitudes of students and faculty at Sandburg High School, one of the schools in which he works.

"This school system is really interested in cooperating with the 'Y' which means to me", Arsenault said, "The Sandburg faculty is interested in turning out an individual who can take his place in the world rather than just a teenager with a diploma."

"I like working with all teenagers because they have original ideas, they're honest (and candid), and continually testing values," he went on. "These teenagers seem to be something special. They are sharp, they

are willing to get involved in their community, and they have a genuine pride in their school."

He added that this pride showed up both in student and faculty at Sandburg.

Arsenault noted the concern on the part of parents towards their teenage sons and daughters and what they do.

He said in his short time on the scene he has already come to know many of the students and has met all the Sandburg guidance program workers.

"These kids are taking the responsibility for carrying out their own programs. The community can be proud of them," he declared.

Observe Student Council Week At Lincoln-Way High

March 21 - 25 was Student Council Week at Lincoln - Way high school. The purpose of this week was to honor the faculty, student body, and Student Council and to create a friendly working relationship among the three. The Student Council planned the

week and it was organized through a committee consisting of: Bonnie Lauffer, chairman; Faye Dunn, Leigh Int-Hout, Lee Ann Otto, Rich Seitzinger, Candy Tinley and Bill Wilson.

Monday, March 21 was honor teacher day. In the morning, each teacher was presented with a white carnation. At the end of the day, cake and coffee were served to the faculty in the all - purpose room by Student Council members.

Tuesday, March 22 was Student Council tag day. Each council member wore a tag signifying his membership in the council. A double assembly, the first assembly for the fresh-soph's and the second for upperclassmen, was held where a regular Student Council meeting was conducted. The purpose of this assembly was to show the student body exactly what business and discussions are carried on in a meeting.

Wednesday, March 23 was chivalry day. On this day the boys honor the girls by carrying their books, opening doors for them, and allowing them to be first in the lunch lines. Un-cooperative boys were penalized by the wearing of an ear ring with an "uncouth" tag attached. These tags were handed out by girls in the Student Council. Also on Wednesday, petitions to run for Student Council were taken out.

Thursday was dress - up day and a Share In The Fare tag sale. On this day the students are requested to wear clothes a little nicer than they would ordinarily wear to school. a change of heart

Sometimes, a deep change of heart can affect a man's whole pattern of life. He sees things differently. It's the change that comes through a clearer idea of God, when you catch a glimpse of the real meaning and joy of life. Another word for it is reformation. You're invited to hear a one-hour public lecture on this subject by Otto Bertschi of The Christian Science Board of Lectureship. Title: "The Meaning of Reformation." Everyone is welcome.

Hungarian Fighters Honor Derwinski

Representative Edward J. Derwinski, R., 4th, has been awarded the Freedom Award by the Hungarian Freedom Fighters' Federation in a special presentation in Washington.

Elects New Secretary

The Lincoln Estates Athletic Club held a special meeting March 22 at the Ann Rutledge school.

Tom Vaughn began the meeting by paying tribute to Mrs. Isabel Davidson, the club's secretary, who passed away while vacationing in Florida. Tom related that he knew Mrs. Davidson since his childhood. Her many years of teaching and being active in community activities, to which she unselfishly gave her time and interest, have earned her admiration and respect. Tom asked the club to rise and pay tribute to a great lady, with a moment of silent prayer.

The ten applicants who were accepted into the club will be sworn in at the April 20 meeting. New members are Jake Setter, Richard Smith, Bob Rucker, Lloyd Alton, Donald Ball Sr., Larry Vaughn, Dennis Wheeler, August Santoro, Len Pearson and Gilford Lynn Jr.

The club voted to donate \$50 to the Little League of Lincoln Estates.

An election was held for a secretary to replace Mrs. Davidson. Bill Frankenberg was elected. The new secretary then swore in the officers and members who were present.

State Garden Club Meet

Two value packed days are planned for garden club members and official delegates to The Garden Club of Illinois annual convention, Monday and Tuesday, April 18 and 19 at the Sheraton - Chicago Hotel.

Mrs. Chester Evans of LaGrange and president of the state organization, will formally open the convention Monday, April 18 at 10:15 a.m. Honored guests from National Council are Mrs. Hazel Knapp, club program chairman, and Mrs. Charles O. Dean, first vice - president; also Mrs. Henry C. Prange, Central Region head.

Members of the Downers Grove Garden Club will provide table decor in keeping with the theme of the convention, "Flowers on Parade."

No stranger to Illinois audiences, Mrs. John W. Knight Jr. of Ohio will stage her own parade with "Abstract and Not So Abstract" designs for the afternoon program.

Special workshops will be conducted after Mrs. Knight's program covering Horticulture, Junior Gardeners, Conservation, Garden Therapy, Civic Projects and Awards and Garden Glories.

Roselle Garden Club will use the theme "Around the World" in table arrangements for the Awards Banquet Monday evening when past state presidents, district chairmen and club presidents are honored. Mrs. Charles O. Dean will speak on "In My World - What?"

For luncheon Tuesday, April 19, convention goers will be "Marching Along Together" in the Tally - Ho Room, South with members of the Lake Shore Gardeners of Chicago providing appropriate flower arrangements for the tables.

Some three and one-third million people ski at more than one thousand areas in 42 of the states... Even Hawaii has a skiable mountain... But, people did not always skim the slopes for sport... In ancient times skiing was vital to human existence... The primitive peoples of Central Asia used skis that looked like grass shoes for traveling, protection and hunting... Wooden skis followed and judging from the drawings on stones were not a great deal more comforting... The Asian skiers migrated to Northern Europe and the Lapps became the best of the early skiers...

The Norwegians later brought skiing to the modern world... Their military skiing prowess was their salvation during the Napoleonic wars and continued over the years... Though Norwegian skiers like Sondre Norheim and the Memmesveit brothers emigrated to the United States in the 1880's and promoted skiing, the earliest recorded use of skis in the United States predates them... It is reported that a Methodist preacher, John L. Dyer, traversed snowy Colorado in the 1850's on skis nine to eleven feet long... In the 1930's such well-known ski areas as Aspen in Colorado, Stowe in Vermont and Mont Tremblant in Quebec were developed... Sun Valley, Idaho, rose to fame in the late 1930's and Lake Placid, New York was the already famed home of the 1932 Olympic Games...

from the Hirschs

Hirsch Chapel

84

Dear friends,

Most doctors and clergymen, observing someone at the moment of death, have seen their eyes light up with a radiant happiness and surprise while they call out the name of a loved one that has preceded them in death. Immortality is repeatedly reaffirmed.

Let us rejoice again, this Easter, in the resurrection of Christ and the glorious immortality in God of each of us.

Sincerely,

Hirsch
